**We are pleased** to welcome everyone to the 2024 Parade of Homes hosted by the La Crosse Area Builders Association.

In 2024 you are invited to walk through and tour some of the greater La Crosse Area's most beautiful homes; speak with our talented builders, associates and trade professionals; and make note of your favorite features for your own future homes. Our teams

of construction professionals have worked tirelessly to make these homes with the utmost care and quality. Please join us as we tour twelve of the area's newest builds and see what our La Crosse Area Builders Association members have to offer homeowners of our area.

This year we are happy to introduce digital ticketing for all, in hopes that this will increase convenience for all guests who walk through these homes. Guests are still able to purchase tickets with cash at Altra Federal Credit Union locations. Everyone will be presented with a unique code that grants access to the homes, so please make sure you have that with you when you come for the Parade.

We would like to extend a heartfelt thank-you to all our volunteers, the Parade of Homes planning committee, LABA's rock-star staff and all participating builders and professionals for making this possible year after year. Countless hours of time and work go into planning this weekend. We hope you enjoy the 2024 Parade of Homes!

Interior details include modern lines and a floorplan that is cozy yet functional for family gatherings and celebrations. A large triangular deck offers picturesque views. This beautifully crafted home features the timeless design, functional layout and upscale construction you can expect from Mazzola.

Characterized by essential shapes, refined materials and innovative workmanship, each layer and design element was carefully curated to reflect clean earth tones with crisp architectural lines. This home was crafted using a mid-century modern approach with warm textural appeal in every space.

This showcase of contemporary architecture features chic composition and class accented with premium style. Our parade home is both simple and dramatic with vaulted ceilings, customized accents, a floating staircase and an expansive collection of windows and doors.

A big thank-you goes out to the owners for allowing us to showcase their home. We also thank our teammates for their craftsmanship and support.
